

# HAN CLUSTER: OFFICIAL ERRATA

The following are the official errata for the various Han Cluster products. These do not include smaller corrections (like grammar, spelling, or minor errors that don't effect the substantial content of the setting). We keep a separate list for those to correct for any subsequent printings.

## Han Cluster Errata Version 1.0

### HAN CLUSTER SOURCEBOOK

These are the official errata for the Han Cluster Sourcebook (First Printing—see credits page for printing number).

**Page 49:** Under the heading **The Draxel**—erroneously reports that the draxel was invented in 2559. Should be 2458.

**Page 93:** Under the subheading, **BACKLASH**—“A Critical Failure on a Nex roll...” should be “A Critical Failure on a Focus roll...”

**Page 108:** Under the heading **When did it Start?**—erroneously reports that the blinding began in 2493. Should be 2593.

**Page 136:** Under the heading, “**We Think You’ve Had Enough?**”—erroneously reports that the IAA Directive was passed in 2551. Should be 2546.
